Other Policies
Smoking and Tobacco-Free Policy
The university is dedicated to providing a healthy, comfortable and productive environment for its employees, students and guests. The Surgeon General of the United States has determined that cigarette smoking is the leading preventable cause of illness and premature death in the nation. Moreover, research indicates that non-smokers who are regularly exposed to passive (secondhand) tobacco smoke are also at increased risk of illness. Passive smoke appears to be especially deleterious to the health of certain populations, including the elderly, children and individuals with allergies, asthma, respiratory disease, or cardiovascular disease. For these reasons, the Surgeon General has urged employers to implement broadly based health promotion programs with special emphasis on smoking cessation. The response to the Surgeon General’s advice and the medical evidence has been an overwhelming trend toward protection of the health and safety of non-smokers.

Therefore, as an institution committed to providing a safe and healthful environment, the University of San Diego prohibits smoking and the use of any smoking or tobacco products at all times on or in any USD-owned or USD-leased property or facility, either indoor or outdoor. Effective August 18, 2015, all USD property is smoking and tobacco free.

Instructional Formats

Classroom
Classroom courses are offered in a traditional classroom environment. This learning environment facilitates a communication on a given subject in real time, enables immediate feedback, and fosters interaction with the instructor and like-minded classmates. To see if a course is being offered in a location near you please click on Search for Courses on the website’s left navigation; then filter by Subject Area/Program and Location. Classroom courses have a scheduled start and end date, and you are expected to attend all course sessions.

Online Fixed-Date
Online Fixed-Date courses offer a convenient, yet rigorous style of learning that allows you to structure your education to suit your schedule while keeping on pace and achieving your educational goals.

Our online courses offer the same high-quality content and expert instruction as the courses held onground at the University of San Diego. Instructors facilitate courses through engaging multimedia presentations and provide prompt feedback to questions within 24 hours week days and 48 hours over weekends. Online learning allows students to interact with classmates worldwide and offers rich and meaningful interactions through weekly discussion forums, chats and email communication.

Online Self-Paced
Online Self-Paced courses are a perfect blend of accessibility, convenience and flexibility, so you can control your learning pace. You will use course textbooks, manuals, assignments, and exams to learn and earn credit. Depending on the course, you may have multi-media presentations and embedded downloadable materials as part of your course content. Communication with your instructor occurs within the online classroom. Instructor feedback will be provided for graded assignments/exams/final project (when applicable). Grades are based on grading rubric(s) found within the course. You can register at any time and you will have six months from the time of registration to complete your course.

Independent Study
Independent Study Self-Paced courses offer flexibility and the ability to complete a course faster than a traditional course. Our courses deliver the same high-quality content and expert instruction as traditional, onground classroom courses. These courses work well for:

- Working professionals with tight schedules
- Students who require a specific course to meet professional development or recertification requirements
- Students living in remote locations
- Students who cannot easily attend courses due to injury or illness
- Students who are self-motivated and conscientious

You can register at any time, and you will have nine months from the time of registration to complete your independent study course.
Is Online Study Right For Me?

The Event Management Program at USD is truly unique as it not only provides us with new knowledge delivered by highly qualified instructors about a fast growing and exciting field; but also offers us the opportunity to apply that knowledge through hands-on practical trainings as part of its practicum component.”

-Neveen A. Shadi

I completed the event management program in 2000. Since the program I have been working in the event industry at wedding venues, hotels and catering companies. Just over 3 years ago I opened a bridal shop/event management company and we have been very successful. If I had not completed the program at USD I do not think I would be as successful as I am now.”

1 unit | Core | This course will give the student a working knowledge of the types of income properties with emphasis on underwriting the cash flows from each of the four main property types. It will also identify sources of capital and analyze the types of financing available in today’s commercial real estate markets.

REP-X817
Legal Aspects of Real Estate
1 unit | Core | This course will provide an overview of all legal aspects of acquiring, developing and operating commercial projects. The course curriculum will be taught from a hands-on perspective, focusing upon core legal principles utilizing numerous case studies, and a variety of sample legal documents.
**REP-X827**  
Development Feasibility  
1 unit | Core | This course examines the real estate development and redevelopment strategies including commercial, residential and industrial land uses necessary to succeed in a rapidly changing marketplace. Students will explore issues related to market research, entitlement processing and permitting, capital and financing resources, and developer management preparation for the next real estate cycle.

**REP-X814**  
Real Estate Investment and Income Analysis 102  
1 unit | Elective | Build financial models for the acquisition and refinancing of commercial real estate. Students will prepare financial models and analysis for the case studies to determine the overall profitability and feasibility and to identify the risk attributes that can affect the investment.

**REP-X815**  
Real Estate Market Analysis  
1 unit | Elective | This course is aimed at providing students with a foundational understanding for real estate market analysis, reviewing highest and best uses for a given site and a longer-term planning vision for a market site. Students will focus on various property types including but not limited to housing, office, industrial and retail property.

**REP-X818**  
Property Management  
1 unit | Elective | Learn how sophisticated property management impacts the bottom line. The operations, administration and executive functions related to the management of real estate properties will be presented by an instructor with onsite and corporate property management and “do’s and don’ts” of property management and provide students with real-life views of this aspect of the real estate profession.

**REP-X828**  
Asset Management  
1 unit | Elective | This course will provide a basis for understanding the strategies, key concepts and practices for managing real estate assets as investments. Discussions will include development of investment criteria, management of risk, management of the land and real property, strategies for maximizing value and investment, and the assessment of investment risk and return.

**REP-X840**  
Real Estate Projects in Action  
Over a series of 8 weeks students will visit four distinct sites. Each session will take place at a new location, where the instructor and project developer will explain the evolution of that particular real estate development. The projects visited and studied represent a variety of uses — residential, office, retail/ restaurants, hotel and mixed-use in distinct San Diego markets.

Open Campus

Concurrent enrollment for the community in USD campus courses.
Open Campus at the University of San Diego provides a unique opportunity for professionals, students and high school graduates, to take fully accredited campus courses on a space-available basis at the University of San Diego.

Search for Open Campus Courses

Steps for Application
1. Search for classes in our MySanDiego Campus Schedule.
2. Identify the courses you wish to take and email opencampus@sandiego.edu with the detail. In the email please include the class name, number (CRN), times and instructor.
3. Create a PCE student account using the "Account Login" link from the top of http://pce.sandiego.edu.
4. Complete the Application Form online.
5. Print the Instructor Approval Form for instructor approval for the course you want to attend. This will help you confirm that space is available in the class and the instructor will be able to determine if there are any prerequisites to completed for the specific class. Please ensure that this form is signed both by the instructor and the department Chair. Applications without both signatures will not be accepted.
6. Submit the Instructor Approval Form to Professional and Continuing Education Open Campus Office located in Founders Hall Case Maria, room 148G.
7. Pay the registration and course fee by the deadline.

Please note the following items before applying:
- All applications must be accompanied by a $45.00 non-refundable application fee.
- Required credentials:
  A. Official transcripts of any attempted college work.
  B. Official final high school transcript or proof of high school graduation or equivalent.
- Open Campus limited to a maximum of six courses per semester, with a cumulative total of eighteen semester units maximum.
- All semester deadlines apply in the case of Open Campus. Those enrolled in Open Campus attend class with degree-seeking students and participate in the same course activities and requirements.
- Please check transferability requirements of your home institution if you plan to transfer credits earned through USD’s Open Campus. USD does not guarantee transfer of credit. All transfer decisions are up to your home institution.
- Financial aid and university housing are NOT available to Open Campus students.
- International students with F-1 visa status are eligible for Open Campus if they are enrolled full-time at another institution and have maintained good immigration standing. A letter from your immigration advisor supporting part-time enrollment at USD must be submitted with your application including copies of your current Form I-20, passport page, visa page and I-94 card (front and back). International students with visa types other than F-1 may be eligible to apply and must consult with the International Admissions Counselor. International students seeking to study may contact P&E as some programs and course loads will qualify them for a student visa.
- All students at USD, including those enrolled through Open Campus, are responsible for maintaining standards of conduct and academic integrity as outlined in USD campus policies.
