## **Frequently Asked Questions (FAQs)**

**What is Project Management?** The discipline of initiating, planning, executing, controlling and closing the work of a team to achieve specific goals and meet specific success criteria.

**Do courses need to be taken in sequence?** Yes, the newly revised program has been developed to be taken in sequence, starting with course, PMP-X857 Stakeholder and Team Performance Domains.

### **What textbooks are required?**

- [\*A Guide to the Project Management Body of Knowledge \(PMBOK® Guide\) – Seventh Edition and The Standard for Project Management, Seventh Edition\*](#) by PMI, available at Amazon.com or your local bookstore.
- [\*An Introduction to Project Management, Seventh Edition: Predictive, Agile, and Hybrid Approaches\*](#), available at Amazon.com or your local bookstore.

**Will this program prepare me for the PMP Certification Exam?** The Project Management certificate program is intended to provide practical project management skillsets. It is real-world based and led by practitioners. It provides an in-depth overview of PM methodology; however, it is not a PMP exam prep course.

**When should I pay for the certificate fee?** It is recommended that you pay your one-time certificate fee upon enrolling in your first course.

**Do you accept third-party funding options?** Yes, this program is approved by the following third-party funding sources:

- The Military Spouse Career Advancement Accounts Program ([MyCAA](#))
- [Segal AmeriCorps Education Award](#)

For students using third-party funding, please contact Enrollment and Student Services at [continuinged@sandiego.edu](mailto:continuinged@sandiego.edu) or 619-432-3790 to begin the registration process. Please have your funding source details readily available.

### **Are you a student who was registered in the Project Management program prior to January 2022?**
