

Test Preparation Courses

Classroom: Weeknights/Weekends

If you are seeking admission to law school, graduate school/college or a professional certification, you will benefit from the exceptional instruction provided by the University of San Diego Test Preparation Courses. For over 35 years, USD has helped thousands of students improve their test scores and achieve their educational goals. Studies have shown that students who receive tutoring on test-taking skills and strategies develop confidence and competence to attain the highest possible score.

Who Should Attend

Individuals seeking admission to law school, graduate school, college, or to pass a professional exam to advance their career.

LSAT Course

Apply critical reading methods, analytical skills and diagramming techniques to aggressively tackle the LSAT.

GMAT Course

Develop and apply verbal, analytical and writing skills. Review basic and complex mathematical principles to sharpen your ability on all question types.

GRE Course

Develop and apply vocabulary skills and critical reading methods to tackle the exam. Review basic and complex math principles to improve performance on the GRE.

SAT/ACT Courses

For high school juniors and seniors, these courses provide test-taking strategies and practice on actual exams. Understand the exam's scoring system and develop strategies to maximize correct responses within given time limits.

FE Fundamentals of Engineering Exam, Other Disciplines Preparation

Gain the skills necessary to pass the State Examination and become certified as an Engineer-in-Training (EIT). The course is geared toward passing the NCEES Computer Based Tests (CBTs) on the first try.

CP Certified Paralegal

Gain substantive knowledge of legal concepts. Sharpen writing and research skills to communicate effectively and pass the exams.

Workshops

Our tutoring programs and workshops were created to provide students a more subject-specific format for study. Currently options are Algebra, Writing Fundamentals and College App Essay Writing.

PHR® / SPHR®

This course will cover technical and operational aspects of HR practices, laws and regulations in the US as well as additional topics.
