Dear EDU-X766L Online Self-Paced Course Student:

Welcome to Professional and Continuing Education at the University of San Diego! We are delighted that you have enrolled in one of our Online Self-Paced courses. This course is taught in the Learning Management System called Blackboard. You have been given access to the Student Orientation course and you will have access to it within 24 hours of registering. The orientation will be available to you throughout the course for you to refer back to if needed. In addition, there is a brief “Getting Started” tutorial within EDU-X766L demonstrating how to enroll in your group and submit to galleries. EDU-X766L will be available beginning March 1st. We encourage you to participate in your course as soon as possible. ** Please allow 2 hours after you have enrolled in the course, or have updated your user name and/or password on the website to access Blackboard.

Online self-paced courses are designed so that you can work at your own pace, on your own schedule. You have up until August 19, 2016 to have all completed assignments submitted. Please submit to one gallery at a time, and wait until each gallery has been graded and feedback is provided before submitting the next one.
